

Peninsula Winnies Newsletter

February 12, 2011

The February luncheon/meeting of the Peninsula Winnies was held at Lowery's Restaurant in Tappahannock. It was a nice sunny day, even though it was a little windy. It was a great day to drive to Tappahannock. We had eight coaches represented; present were Blackburn, Chilcott, Colbow, Johnson/McKinney, Jones, Potts, Rappe, and Wilkins.

They seated us in 'our' room in the back and the waitresses took good care of us. After they took our order, Betty conducted a meeting and soon our food was served. I can't speak for everyone else, but the turkey and dressing dinner that I got was awesome. Other's portions were large and I saw lots of go-boxes going home.

Health and Welfare:

It was reported that Karl Young has completed chemo treatments in Florida. George, Ron's father, is doing well on dialysis.

We extend our sympathies to Ed and Yvonne in the passing of his father, Tom; and to Melvin and Ellen Ruffin in the passing of Cindy, Melvin's sister-in-law.

We've missed seeing all you travelers this winter and we hope to see everyone back for the April campout!
