## Peninsula Winnies Newsletter

---

January 8, 2011

The January luncheon/meeting of the Peninsula Winnies was held at Steve and John's Steakhouse in Newport News. We had nine coaches represented; present were Blackburn, Colbow, Fry, Gemeinhardt, Johnson/McKinney, Jones, Potts, Ripley and Wilkins. It was great to see so many turn out, the weather was cold and gloomy, but there was nothing on the ground.

Betty conducted a brief meeting and after that as our food was served the sky opened up and it snowed like mad for about a half-hour. By the time we left everything was just wet. But Ron and I ran through several more snow showers on our way back up the road.

Several in the groups were leaving for Florida in the next few days. We wish them sunny skies and safe travels!

### **Health and Welfare:**

It was reported that Karl Young is undergoing chemo treatments in Florida and that Jim Faison had been ill. Also, Tom Potts, Ed's father and George Colbow, Ron's father are both in poor health.
