## Peninsula Winnies Newsletter

---

August 21, 2010

The August campout of the Peninsula Winnies was held at the Ye Ole Virginia Winnie Tascas state meeting. We had three coaches present; all of us arrived at Misty Mountain near Crozet on Thursday for the long weekend. The weather was absolutely beautiful and Misty Mountain is such a nice campground, we could tell, even though we had low numbers, we were in for a fun weekend. On Thursday evening the Blackburns, Colbows and Frys climbed in their cars and headed to the village of Crozet for a pizza dinner at Crozet Pizza. The restaurant is very quaint and almost all tables were filled. We cozily seated ourselves around a table designed for 4 and readied ourselves for the delicious pizza that was to come.

Friday's activity was a short trip to Michie Tavern for a nice colonial lunch. We had southern fried and baked chicken, pulled pork barbecue, mashed potatoes and gravy, black-eyed peas, stewed tomatoes, cole slaw, whole baby beets, hot green beans, rolls and cornbread. The wait staff was very attentive and they made sure we had everything we needed. Everything was very good, I didn't notice any of us lacking as we waddled off.

Saturday we had a catered breakfast of waffles, eggs, sausage, biscuits and gravy, coffee and juices. Then the business meeting schedule began. Not having enough present for our own chapter meeting we gathered and discussed the advisory and executive board outcomes. And we also talked about the 2012 rally, just bouncing ideas around. Saturday night was a potluck dinner. Marcia and Betty said there was plenty of good food. Ron and I went to Charlottesville to eat at my favorite restaurant.

Sunday we had a continental breakfast of coffee and Danish and then everyone went on their merry way.
